NEXT LEVEL INNOVATION

This is not just a number.
This is true spin technology.

450 G FORCE

Our lightning speeds are the highest achieved by any coin washer available today.

POWER BALANCE

The smart accelerometer keeps your washer balanced and maintains ultra-fast extraction – consistently.

Our water-saving technology saves your profits from being washed away.

AUTOMATIC SAVINGS

AS weighs each load of laundry and introduces the precise volume of water needed for the perfect wash – cutting water bills by up to 50%.

ULTRA FLAT DRAIN VALVE

Other washers waste up to 1 ½ gallons of water every wash. Our ultra flat drain valve helps us save 97% in dead water vs our competitors.

Offer your customers a laundromat experience like no other.

CLARUS VIBE

With a 7" HD color touchscreen display, 35 languages, and 192 customizable wash programs, you'll have limitless opportunities to generate more revenue and better serve your customers.

FRONT SOAP DISPENSER

Our front-mounted soap dispenser is positioned for easy access and tilts down when opened so customers can clearly see each color-coded compartment.
